CERTIFICATIONS

EXPERIENCE

Oklahoma Gazette Oklahoma City, OK
Digital Operations Coordinator, January 2015 – Present

- Managed WordPress website
- Optimized site for performance via several methods including page caching and minifying and concatenation of resources
- Integrated use of child theme
- Fixed specific styles of parent theme and added functionality via this child theme
- Wrote a custom WordPress plugin for managing a page of paid video placements. A regular user is now able to add new YouTube videos and company icons to the video gallery as well as arrange their order by dragging and dropping their respective tile. The gallery was responsive and included a nice lightbox for displaying non-featured videos. Can be seen at <http://okgazette.com/gazette1>
- Currently developing an ad service/portal web page in Javascript, HTML, and CSS. The front end can be seen at http://jessesnyder.me/free_wifi
